Dignity Threads

Empowering Success with Choice and Dignity, One Outfit at a Time

Dignity Threads, a program of Shopping with Dignity, is dedicated to supporting individuals as they enter the workforce by providing a shopping experience for essential clothing and shoes. This program honors the dignity of choice by encouraging individuals to select items that reflect their personal style and professional needs, empowering them to step confidently into their new roles.

Examples of items purchased include:

- Clothing
- Scrubs
- Shoes
- Work Boots
- Purse
- Undergarments
- Wallet
- Duffle bag for travel

These items, seemingly small, bring immense value in restoring dignity and confidence to individuals rebuilding their lives.

Referrals from organizations like yours have allowed us to walk alongside and assist individuals, including:

- Man living in shelter, earned his CDL and needed work pants and boots for orientation
- Woman independently raising her children entering into workforce for the first time
- Grandmother reentering workforce in order to raise and provide for her grandchildren

Kindness and compassion in every interaction

How We Do This

1. Submit a Referral

- Contact Trapp Foundation at **602-848-2422** or visit trappfoundation.org to submit a referral form.

2. Personalized Shopping Trip

- We provide personalized, carefully curated, one-on-one shopping experiences for clients transitioning to the work force.
- Trapp Foundation will contact each client to set up a personalized shopping trip, typically at Wal-Mart or Target, with a Foundation staff member.
- We provide up to three outfits along with accessories and shoes.

3. Transportation Assistance

- Trapp Foundation offers transportation for each client to and from the store.

4. Follow-Up Support

- We will send a follow-up email letting you know the trip has been completed and a summary of the shopping trip.

We look forward to your referrals and partnering with you as we work together to serve others!
